II INTERNATIONAL SCIENTIFIC AND PRACTICAL INTERNET CONFERENCE

"MODERN TECHNOLOGIES AND TECHNICAL SERVICE: CHALLENGES AND OPPORTUNITIES"

October 27, 2026
Kamianets-Podilskyi

Dear colleagues and students!

We invite you to participate in **the 2nd International Scientific and Practical Internet Conference "Modern Technologies and Technical Service: Challenges and Opportunities".** The conference will be held **on October 27, 2026** at the Higher Educational Institution "Podillia State University".

Main thematic areas of the conference:

1. Innovative strategies for the development of technical service for machines.
2. Science and practice: the path from realities to prospects.
3. Machine repair: principles, approaches and challenges.
4. Machine reliability.
5. Energy, energy means of electrical technology and automation.
6. Regularities of friction and wear processes of agricultural machinery parts.
7. Bioenergy systems and renewable energy.
8. Thermal energy.

Working languages: **Ukrainian, English**

To participate in the conference, you need to fill out the following form **by October 20, 2026:**

https://forms.gle/Rv6VDRzvEdxgPhQH7, to which you can add the abstract of your report.

When writing theses, we ask that you adhere to the principles of academic integrity.

Entries that do not meet the requirements or are submitted after the deadline will not be considered.

Responsibility for the materials covered in the abstracts lies with the authors.

REQUIREMENTS FOR REPORT PREPARATION

- The text of the report, up to 4 pages in A4 format (along with a list of sources used and taking into account figures, tables and formulas) is submitted as a file with the extension ***.doc** or ***.docx.**
- The file name must match the last name and first name of the conference participant in Latin letters (e.g.: **Petrenko_Ivan**.doc).
- Text editor – Microsoft Word; Times New Roman **14 point**; line spacing **1.5**; all margins – **20 mm**; paragraph indentation – **10 mm**; **orientation – portrait**.
- In the text, references are given in square brackets - [2, p. 56], where the first number indicates the ordinal number in the list of sources used, and the second - the page number.
- Sources should be cited only if referenced in the text. Bibliographic descriptions of literary sources should be prepared in accordance with the National Standard of Ukraine DSTU 8302:2015 “Information and Documentation. Bibliographic Reference. General Provisions and Rules of Compilation”.

SAMPLE FORMAT FOR ABSTRACTS

UDC 631.22.64

Ivan KOLISNYK,
1st year student of the Bachelor's degree program
specialty H7 "Agricultural Engineering"
Scientific advisor:
Vitalii BONCHYK
Candidate of Technical Sciences, Associate Professor
Higher Educational Institution "Podillia State University"

DEVELOPMENT OF DIAGNOSTIC TECHNOLOGY OF AGRICULTURAL MACHINERY

Main text [1, p. 32].

List of sources used

1. Avdeev V.A., Lubko A.I. Repair of technical equipment. *Bulletin of Khmelnytskyi State University. Series "Technology* ", 2022. No. 1. P.11-13.

2. Chernykh Yu.I., Boyko R.V. Modern diagnostic technologies. International Internet conference "Modern management and technology development". Chernihiv, 2025. URL: http://me.fem.sumdu.edu.ua/docs/d183.pdf

The author is responsible for compliance with integrity principles, copyright norms, accuracy of the submitted factual data, validity of the conclusions drawn, and correctness of references to the sources used. The editorial board reserves the right to carry out editorial processing of the materials, as well as to reject works that do not meet the stated requirements or violate integrity principles.

The conference is registered with the State Scientific Institution "Ukrainian Institute of Scientific and Technical Expertise and Information": certificate No. 632 dated September 8, 2026.

ORGANIZING COMMITTEE CONTACTS

32316, Ukraine, Kamianets-Podilskyi,
12, Shevchenko Str.
Higher Educational Institution
"Podillia State University"
