Andrii ZELENSKYI

*of Associate Professor, PhD in Economics,
Acting Director of the Institute Educational and Scientific Institute Of
Correspondence and Distance Education, Associate Professor of the Department of
Finance, Banking, Insurance and Electronic Payment Systems*

Warsaw University of Life Sciences - SGGW, Poland

*Period of the internship: from April 1, 2024 to April 30, 2024.
Amount (duration) of the Foreign Internship 1 month (120 hours)*

*Subject (area) of the Foreign Internship
«Formation of the financial and economic mechanism of regulation of the agrarian
sector of the state in the conditions of the transformation of world agriculture»*

Results of Internship

1. The peculiarities of the market of agricultural products in the EU were studied. Information on the development of the market of agricultural products in the EU and Poland was collected and processed using the databases of the WULS-SGGW Main Library (in particular, EMIS).

An assessment of the current state and prospects of agricultural production in the world and the European Union was analyzed (Statista). The global sectorial risk analysis "Agri-food industry - 2023" was studied. The annual reports of the companies "Louis Dreyfus", "Cargill", "ADM" as the largest exporters of agricultural products in the world was analyzed.

An assessment of the prospects of the global market for agricultural drones in 2023 with a forecast for 2024-2030 was studied (Next Move Strategy Consulting), which serves as a reference point for future policy analysis and planning.

The legislation of the EU and Poland on supporting the development of agricultural producers was studied. A review of the literature and a collection of articles on the development of the Common Agricultural Policy (CAP) and its legal regulation were prepared.

2. Participation in the following events was taken:

- participation in the meeting (seminar) of the Department of Finance (April 10, 2024)
- 10th International Food & Drink, Food Processing and Packaging Exhibition "World Food Poland" (EXPO XXI Warszawa, April 16, 2024);
- participation in a joint meeting (seminar) of the Department of Finance and the Department of International Economy and Agribusiness (April 17, 2024);
- 6th International Italian Food & Drinks Exhibition "Bellavita Expo Warsaw" (EXPO XXI Warszawa, April 18, 2024);
- seminar "Migration and Regional Adjustment to Asymmetric Shocks in Turkey", presenter: Jan Fidrmuc, University of Lille, France (Warsaw School of Economics & Faculty of Economic Sciences, University of Warsaw, April 18, 2024) - online;
- IX International Trade Fair for Packaging Technologies and Finished Packagings "Warsaw Pack 2024" (Ptak Warsaw Expo, April 23, 2024);
- seminar "Social aspects of agriculture", presenter: Patrick Joyce, University of Manchester, England (Institute of Rural and Agricultural Development of the Polish Academy of Sciences, April 25, 2024) – online.

3. Based on the results of the research, materials that can be used for the scientific articles "Assessment of the state of the agricultural sector of Ukraine and Poland in the conditions of global transformations" and "Improving the structure and parameters of budget expenditures as a factor in increasing the efficiency of the agricultural sector of Ukraine and Poland" have been prepared.

The report was asserted at the Meeting of the Department of Finance, Banking, Insurance and Electronic Payment Systems (Minutes № 8 from May «20», 2024), of Higher Educational Institution «Podillia State University».
